## CHECK - IT - OUT

Our "New" Website is up & running. Although the old website looked good, it was very time consuming to write the code to display the information. Our new platform is very "user" friendly. So, we hope that you will check it out and continue to stop back often to see what is happening at the Lodge, State & International levels. You can also find the newsletter on the website.

### *Not renewing your dues?*

For those of you who are thinking about not paying your dues, this is to remind you of why Muskego Chapter and the WOTM exist.

Even if you do not use the Lodge facilities very often, they \$35 dues you pay each year helps to care for the over 200 children at Mooseheart, as well as the 200+ senior Moose members at Moosehaven. **YOUR** dues enable the Loyal Order to provide a home life these children and senior members might not be able to enjoy otherwise.

So – when that dues renewal notice comes in the mail, please write that check (or pay online) immediately.

We hope you will come to the meetings – meet your fellow Moose members – and enjoy some of the many activities that take place – food, music, cards, pool, shuffleboard, etc. Many members feel the Moose is a 'second family' with whom to enjoy life. **Can we count on you?**

**1<sup>ST</sup> & 3<sup>RD</sup> Thursdays  
7:00 PM**

### *Higher Degree – College of Regents Committee Recognized at November meeting*

At the College of Regents meeting Thursday Nov 1st, Chair Mona Schuyler and the C/R Committee members will be honored.

They have been asked to join with other committees to provide funds for the Mooseheart Music Department. It is very gratifying to know that almost 50% of the students from 4<sup>th</sup> grade to high school participate in the Mooseheart Music program. Not only do they learn how to play instruments and appreciate music, but they also learn to believe in themselves. Both elementary and high school students at Mooseheart have the unique opportunity to learn and participate in a total music program under the expert leadership of Mr. Steven Schmidt. Mr. Schmidt has been working with our students since 1988. His love for teaching and his love for Mooseheart children are evidence through their enthusiasm for the program. Since 1989, the WOTM have been donating to the Music Department on a yearly basis and have once again accepted the responsibility. Mr. Schmidt and the children are able to continue with the music program because of the continued dedication and generosity of our co-workers. This is definitely a gift of love we give to our Mooseheart children.

The committee's fundraiser is Soup-er Tuesday's. From the proceeds, the committee will be able to make a generous donation for the Music Department, as well as for the WOTM Scholarship & Maintenance Fund. The committee thank all members in advance for their fine support of their project.

In addition to Chair Mona, members of the committee are: Sue Anderson, Jacqui Corso, Marilyn Davis, Ione Fowler, Julia Holtz, Colleen Jones, Carol Kau, Cheryl Klabunde, Sara Krenzien, Joyce Krueger, Susan Krueger, Kris Lobotzke, Sandra Lesperance, Ramona Schuyler, Barbara Thibedeau, Karen Thibedeau and Marlene Weber.

### *Community Service Committee Honored at December meeting*

At the Dec 6<sup>th</sup> meeting Community Service Chair Jean Swett and her committee will be recognized. As you know, each committee is asked to have a fund raiser to provide funds for special needs at Mooseheart and/or Moosehaven. The project assigned to the Community Service Committee is to provide funds for the Special Activities Fund at Mooseheart.

This fund provides the financial assistance necessary for the special activities that take place on and off campus for our children there. This includes hall decorations for special holidays, special table decorations and much more. In addition, Special Activities also enable the students to attend off-campus events, such as: movies, water parks and other forms of recreation. Because of the continued generosity of the Family Involvement Committee, our Mooseheart children can be assured they will enjoy the same special occasions and activities as other children.

The committee's fundraiser is still in the planning stage. From the proceeds the committee will be able to make a generous contribution to Moose Charities for the Special Activities Fund at Mooseheart as well as the WOTM Scholarship and Maintenance Fund. Jean and her committee wish to thank you in advance for your generous support to this important need.

**Senior Regent Message . . .**

Hello Co-workers,

Autumn is upon us, I hope you take some time to appreciate the beautiful fall colors when driving around the state and don't forget to check out all of the great things that will be going on at the Moose Family Center for the holidays coming up. Before you know it, it will be winter, so you will need someplace warm to go. WOTM fundraiser dinners on Tuesdays are in full gear. Soup-er Tuesdays are on the 1<sup>st</sup>, 3<sup>rd</sup>, and 5<sup>th</sup> Tuesday of the month (if there is a 5<sup>th</sup> Tuesday). Spaghetti is the second Tuesday of the month, and Baked Potato Bar is the 4<sup>th</sup> Tuesday of the month. Check the calendar for dates and times.

We just wrapped up the Halloween parties at the Moose Lodge. Thanks to everyone for their help and participation. The craft fair was a huge success as well. Thanks to Julie Kronenburg for heading this up. I hope to see everyone at the WOTM's Grand Slam Breakfasts, as well. This is a great "FUNdraiser" that the Committee Chairs are putting together for the Lodge.

November is member retention month. Starting November 1<sup>st</sup>, the WOTM will pay the application fees for any new member who joins the Women of the Moose. New members will still have to pay their membership dues. A WOTM membership would make a special gift for someone you love!

With Christmas coming up, look for opportunities in the Lodge to donate presents for those in the community that are less fortunate. We have been blessed, and it is the season to share your blessing with others. Sign up for the coach bus that will be taking members to Mooseheart on December 1<sup>st</sup>. See firsthand what the Moose is all about and where some of your membership dues help to support. Details will be posted at the Lodge.

Speaking of Christmas, Santa and his helper will also be coming on Saturday, December 15<sup>th</sup>, so get the registration form in this newsletter and sign up your kids and grandkids for this event. You can also drop off your registration form in the WOTM mailbox located in the office.

**Moose – Honoring Community Heroes** - You have the opportunity to talk to your friends and family and let them know of the many ways they can be of service to our fraternity as well as in our communities: Food Pantry, Nursing Home, the Tommy Moose program and many, many more. What is Tommy Moose, you ask? Tommy Moose is a stuffed moose that the Chapter makes available to local fire and police departments for their use where there is a child in need of comfort. What better way to offer comfort – AND – let the public know about our commitment in our communities.

Again, congratulations, and thanks to these sponsors for continuing to 'talk Moose'!

### ***Green Cap Ways & Means Activity Night***

Thursday, November 29, 2019 at 7:00 PM we will honor our new Green Cap Recipient Julie Kronenburg. Members of the Loyal Order of Moose, qualified guests and prospective members are invited to attend. will be served after the meeting.

***“What is that?”*** you may be asking?

The Green Cap is an honor, not a degree, for the WOTM (Women of the Moose). Junior Graduate Regents (JGR) were first invested with the Green Cap in 1950. The color green indicated she was a college freshman prior to receiving her cap and gown. The green cap brings with it the opportunity to achieve the coveted cap and gown of the College of Regents. It is a symbol of success not only for the JGR, but for her chapter as well.

Julie was the Chapter Senior Regent for 2017-2018; she and the Chapter (all of you!) met all the requirements set forth by Moose International and earned the Award of Achievement for that year. As a result, Julie, as Senior Regent that year, began her journey to receive the highest degree a woman of the Moose can earn—the College of Regents Degree. Part of this journey is receiving the Green Cap honor which is bestowed at each annual state conference. When you see Julie, congratulate her!

When it comes to tricycles, most people believe that they’re strictly for kids, but that’s not true. Lots of adults have been using and enjoying the services of tricycles to gain mobility and improve their level of fitness. They are also used for strength-building. Tricycles are the perfect choice for fun and workout activities at any given age, time or place.

Our Moosehaven residents use electric tricycles to move freely around the Moosehaven Campus from their residence to the Beauty or Barber Shop or perhaps to a doctor’s appointment or Bingo.

And while our residents are zooming around Campus with the wind blowing through their hair, they are receiving many of the benefits of adult biking which revolves around the great coordination of the various muscles during the process of pedaling- the arms and legs coordinating to mount and dismount from the tricycle-the hand and eye coordination to steer and direct-all in conjunction and in perfect unison with the mental faculties of the adult rider.

Adult tricycle riding can help refine and reduce certain mental conditions such as anxiety, depression, and stress common with some elderly riders. Adults can achieve these goals by regularly making use of their tricycles and enjoying the comfort and peace associated with biking adult tricycles.

Fortunately, our residents use their tricycles so much that they often wear out or are in desperate need of major repairs. The Women of the Moose have volunteered to take on this project so very near and dear to our residents.

Julie’s committee’s fundraising project is Baked Potato Bar, Craft & Bake Sale held in October and proceeds from her working the kitchen for Wednesday Wing Night. From the proceeds the committee will be able to make a generous contribution to Moose Charities for the Moosehaven Tricycles as well as the WOTM Scholarship and Maintenance Fund. Julie and her committee wish to thank you in advance for your generous support to this important need.

## **'TIS THE SEASON, MUSKEGO MOOSE MEMBERS!**

Our Lodge will be helping Muskego Families in need for the Christmas Holiday. Look for the Holiday Board at the lodge towards the end of November! Take one of the post-it notes from the board, purchase that item, no need to wrap it and return it to the Lodge with the post-it. The bartender will leave it in the office for us. Deadline to drop off gifts is Thursday December 13<sup>th</sup>.

If you don't want to shop but you still would like to donate, you can do so by leaving your donation in an envelope, marked "Holiday Board." An elf will do the shopping for you! Gift cards for food, gas or shopping are great gifts too and much appreciated.

If you are unable to stop by the Lodge but would still like to help by granting wishes, you can mail a contribution or gift

## State Moose Cornhole Tournament

This year's tournament was held at the Eastern Kettle Moraine Moose Lodge on Saturday September 29<sup>th</sup>. 10 teams competed. Representing Muskego was Mike & Cheryl Klabunde. The day started out chilly & windy but ended with sunshine and fun was had by all. Congratulations to all.

1<sup>st</sup> Place – Brian & Jenny– Marinette

2<sup>nd</sup> Place – Paul & Renee - Marinette

3<sup>rd</sup> Place – Mike & Cheryl Klabunde – Muskego

2019 the tournament is scheduled to be hosted in Muskego. Let's show our support of the state tournaments by competing & meeting Moose members for other lodges.

Administrators view,

THANK YOU for all you do! Whether you help volunteer, participate in raffles and fundraisers or just support your lodge by coming in for a meal or drink. Quite frankly just paying your annual dues helps support not only Mooseheart and Moosehaven but your lodge as well.

The tremendous support for our fundraisers and raffles has paid off in a big way. We have purchased a new refrigerated prep table for the kitchen, replaced the failed commercial exhaust system in the kitchen, purchased all new bar stools, 38 of them actually, upgraded our security system, purchased and installed a card reader on the front door, built a tiki bar on the deck and we are in the process of upgrading the lighting for the horseshoe area, just to name a few! We, we have done all of this and more without touching the general lodge operating funds. THANK YOU, THANK YOU, THANK YOU.

The 20 CLUB is a huge success, the number of volunteers working towards there 20 hours is growing every week. Thank you all, but please don't stop at 20 hours. Just about everything we do relies on volunteers and we appreciate every hour of your time spent making your lodge the best it can be.

Please utilize the comment box located in the social quarters. Your suggestions are encouraged and appreciated. Please let us know how we are doing, good or not so good, your comments are taken seriously. We want to make your experience at your lodge a good one every time.

If you have a concern or question that needs immediate attention, please feel free to call or email me. I can be reached at [info@muskegomoose.com](mailto:info@muskegomoose.com), [adminmike@muskegomoose.com](mailto:adminmike@muskegomoose.com) or 414-581-9552.

Thank you for your continued support and all you do.

## Seeking High Schoolers: Moose Youth Awareness Program Speakers' Bureau Offers College Scholarships; Encourages Healthy Choices

While some high school students are just getting back into school routines, others have their eyes on what's to come. These are the ideal students for the Moose Youth Awareness Program, which gives participants an opportunity to compete for \$30,000 in college scholarship money. **Five winners, selected by their peers, receive scholarships (1st place - \$12,000; 2nd place - \$8,000; 3rd place - \$5,000; 4th place - \$3,000; and 5th place - \$2,000).** In addition, the Wisconsin Moose Association Youth Awareness Program will offer scholarships for the top two as well as runners up based on program participation.

High school students who are interested in public speaking and educating young children on a number of positive lifestyle topics ranging from bullying to drugs/alcohol are encouraged to participate in the program, sponsored by the more than one million men and women of the Moose organization. (note: students need not be affiliated with the loyal order of the moose or women of the moose to be eligible)

In order to participate, students must attend a State Youth Awareness Congress 1-hour information session to gain an understanding of how the program works. During this session, students will identify an issue they want to address - some base it on direct experiences, such as bullying or child abuse; others see a problem they want to "fix." All topics must promote healthy choices in young children ages 4-9. Students then create their own "Moose Kids Talks" presentations to reach these audiences. Over the next several months, program participants identify their own speaking opportunities in various clubs and organizations and must make three or more presentations by February 2019. At the end of February, written reports submitted by those students who have completed at least three "Moose Kids Talks" are judged by a peer group to determine who will represent the state at the annual International Youth Awareness Congress, which is held during the first weekend of May. The 2019 International Youth Awareness Congress will be held in Philadelphia, Pennsylvania (at no cost to students or parents).

The Marinette Moose Lodge is inviting local high school students to be part of the Youth Awareness Program. To learn more, call 715-330-1734, or email [aboivin00@gmail.com](mailto:aboivin00@gmail.com).
