Governor Message . . .

Greetings to all the wonderful lodge and chapter members of the Muskego Moose! I am so very honored and humbled to serve as your Governor for the 2019-2020 Moose year. I look forward to working with all of you to continue making our Moose Home the best it can be and to help **Create Our Future**.

Although the Moose has been a major part of my life for the past 50 years, many of you may not know me very well since I have not been a frequent visitor to the Lodge during the past ten years. I expect to be at the lodge frequently during this next year (and for many years to come) and hope to get to know many of you. To let you know a little about me, below is a very brief version of my life's journey thus far, none of which would have been possible without the kindness and generosity of the Moose organization.

In 1969, at the age of three, me and seven of my older siblings were admitted to Mooseheart Child City & School following the death of our parents in an automobile accident. I spent 15 years at Mooseheart, graduating in 1984 and then attended Purdue University on a Moose scholarship and earned an engineering degree. I will be forever grateful to the Moose for saving me and my family in our hour of need and am committed to do all I can to help keep this great fraternity strong.

I joined the Moose on my 21st birthday and have been an active member for the past 32 years, although not always at the Lodge level. I transferred my Appleton Lodge life membership to the Muskego Lodge shortly after moving to this area in 2000, received the Pilgrim Degree of Merit in 2011, and recently joined the 100 Division of the 25 Club. I am a Past Governor of the Appleton Moose Lodge #367 and a Past President of the Wisconsin Moose Association. I served one year on the Moose International Communications Committee, nine years on the Mooseheart Board of Directors, and the past four years on the Supreme Council. All credit for any success or achievements by me goes to the many wonderful men and women of the Moose who guided, mentored and supported me throughout the years.

I currently live in Mukwonago and own an engineering company in Franklin. For the past ten years, I have served on the Village Board, Plan Commission and various committees in Mukwonago and am also currently on the Library Board. My wife Angie and I have four children, but we are close to being empty-nesters. As I hope you can tell, although I have not been active in our Lodge during the past ten years, I have not been idle with my time and energy, especially when it comes to the Moose. Last summer, I decided to transition my evening time from community service in Mukwonago to getting more involved with our lodge.

Over the years our Lodge has had some ups and some downs (as have all lodges), but the one constant has been our great members. I want to sincerely thank the men and women who have served in lodge and chapter leadership positions throughout the years and want to thank our many wonderful volunteers. I look forward to working with the officers of the Lodge and the wonderful ladies in our Chapter, as well as our volunteers, to make our Moose Home one of the best in the fraternity.

I value everyone's opinion, so please contact me if you have an issue/concern (past or present) and I will work to get it resolved. Also, we need your help to succeed, so please consider volunteering at the Lodge in whatever capacity interests you and whenever your time allows. Finally, let's all work on strengthening our membership by inviting friends and family to join our great organization and work on retaining those members we have. Let's get to work to **Create Our Future!**

THANK YOU to the many volunteers during the Wisconsin State Moose Association Bowling Tournament that was held between March 16th and April 7th at Alpine Lanes. We could have not made this such a successful event without you! **Thank You!!!!**

The winner of the Brewer Package Raffle was Matt Wixom from Janesville #197 Moose Lodge. Congrats!! Thank you to everyone that supported this raffle!!

The Bowling Wrap-up Meeting was held Saturday April 27, 2019 in Green Bay. Cheryl will be contacting you if you finished in the money!!

Congrats to the Muskego Ladies - Gamblers who finished 1st in Team Event and the Muskego Men - Magee's who finished 1st in Team Event.

Congratulations! **Muskego Moose Proud!!!**

Administrators view,

Welcome to the NEW YEAR! Yes, May 1st marks the beginning of the Moose year and we say goodbye to a great 2018/2019 year here at the Muskego Moose. Wow what a year we had, as a matter of fact, as of this point, mid-April, we are only a few members short of reaching our annual membership goal and earning the coveted Premiere Lodge Award! We may or may not reach our goal but we gave it our best effort and that's all anyone could ask. Thank you to all that sponsored a new member and please help us continue to grow this year by sponsoring just one new member.

The "20 Club" was a huge success. We had over 50 Volunteers reach the 20-hour mark and are now invited to our 1st annual "20 Club" appreciation party on May 18th. THANK YOU just doesn't seem to be enough to express our sincerest gratitude for your help and service to your Lodge. I hope we can count on your continued support during this new year along with, hopefully, many more volunteers so next year's party can be even bigger.

The Tiki bar is nearly complete! While it is certainly functional, we will need some refrigeration to truly make it perfect. We plan to use it as often as possible this spring, summer and fall. Starting in May, Tuesdays during horseshoes and Wednesdays during our weekly drive in car show, sponsored by our local VFW Post, along with grilling your favorites on the deck.

We have a few new members elected to the Board of officers. Please welcome Mark Penzkover, our new Governor, Kenny Engle, our new 2-year trustee and Robert Peters as Treasurer. Remember the entire Board of officers are volunteers and dedicate a tremendous amount of time and expertise to keep your lodge operating. Please join me in thanking each of them for their dedication and service.

Here's to an exciting New Year!

Thanks for all you do,

Your Administrator

In addition, in the event you experience the loss of a loved one, the Lodge will make available a "funeral lunch" if desired. For more information, contact Cindy at 262-492-6578.

Not renewing your dues?

For those of you who are thinking about not paying your dues, this is to remind you of why Muskego Chapter and the WOTM exist.

Even if you do not use the Lodge facilities very often, they \$35 dues you pay each year helps to care for the over 200 children at Mooseheart, as well as the 200+ senior Moose members at Moosehaven. **YOUR** dues enable the Loyal Order to provide a home life these children and senior members might not be able to enjoy otherwise.

So – when that dues renewal notice comes in the mail, please write that check (or pay online) immediately.

We hope you will come to the meetings – meet your fellow Moose members – and enjoy some of the many activities that take place – food, music, cards, pool, shuffleboard, etc. Many members feel the Moose is a 'second family' with whom to enjoy life. **Can we count on you?**

CHAPTER MEETINGS

1ST & 3RD Thursdays
7:00 PM

**Membership/Retention Committee
Recognized at May meeting**

The May 2nd Chapter meeting is in honor Chairperson Angela Woessner and the Membership/Retention committee.

“Each committee is assigned a special project by International Headquarters and our committee is proud to be able to provide funds for the Clothing, Laundry and Dry-Cleaning Program at Moosehaven,” said Melissa.

At Moosehaven as with any normal household, residents want to look their best on a daily basis, which require clothing, laundry and dry cleaning.

As the WOTM continue to assist our Moosehaven Campus to offset their annual budget, the committee is pleased to provide funds to ensure residents have the fashion clothing they like and want, as well as the means to properly care for those clothing items.

The committee’s fundraising project has not been determined yet. From the proceeds of their project, we will be able to make a generous donation for the Daily Needs Program as well as the WOTM Scholarship and Maintenance Fund.

The main purpose of the Membership/Retention Committee is just what it implies, retaining the members that we have and those in arrears, as well as continuing to build WOTM/Chapter membership. All co-workers are encouraged to ‘talk Moose’ to friends and family to ensure the future of the children and senior Moose Members entrusted to our care.

**Community Service Committee
Recognized at June meeting**

At the June 6th Chapter meeting we will honor the Community Service Committee and Deanna Hardrath, Chairperson. They are extremely pleased to once again be able to donate funds toward the “Feed a Home in December” program on the Mooseheart campus. After 40 years of daily food preparation and cooking at a central facility, Mooseheart Administration decided it was time for a change of direction and closed the Central Kitchen. Family Teachers and children now head out on a weekly basis to local stores to purchase food items, aligned with Mooseheart’s 6-week cycle menu, which was developed by Family Teachers with the assistance of a licensed dietician. Children and teens are now able to assist with the homes’ food budget, meal preparation and cooking. These are great independent living skills that they will need once they graduate and move on from Mooseheart. Our gifts will feed a home of 10 girls or boys for a month and support our Mooseheart community in what has proven to be a new and exciting adventure.

Deanna and the Community Service committee’s fundraising project is still to be decided. From the proceeds of their project, we will be able to make a generous contribution to the “Feed a Home in December” program.

Planning an Event?? Shafer Hall is available to rent!

- Adopt programs and projects for the betterment of Mooseheart and Moosehaven to include the building of the Endowment Fund for the support of these institutions.
- Coordinate the programs and directives of Moose International Inc and the Supreme Lodge.

This is relatively new within the Moose Fraternity and is a very exciting opportunity.

In accordance with the procedures established by Moose International and the Women of the Moose, all Chapters within the Wisconsin Moose Association are now required to call a special meeting of their membership to determine if the Chapter is willing to become a part of this program and join the Association.

The Chapter will mail a Notice of Special Meeting at least 7 days prior to the meeting date to ALL Active Co-Workers.

The Special Meeting has been scheduled for Thursday June 6th at 7:00 Pm. Regular Activity Meeting to follow the Special Meeting.

Muskego Chapter will be allowed 11 votes (1 vote for every 50 members, plus one for a majority fraction above an even interval of 50).

This measure will pass and be binding to all chapters in the Wisconsin Moose Association jurisdiction if there are 78 or more affirmative votes. It will fail if 78 or more votes are negative.

We are very excited about this opportunity for the members of the Women of the Moose and their Chapters. Providing this issue is favorable among the Chapters, our co-workers will have a voice in the decision of the Wisconsin Moose Association, and its districts, and would be allowed to serve as Association Chairmen, District Presidents and the elected Association Officers.

Chapters would receive the same support and service from the Association that the lodges do. This includes, but is not limited to new member campaigns, training and Chapter visitations and operations assistance from Moose Association officers and chairs.

Women of the Moose Chapters would pay per-capita of around \$3 per member per year. The exact amount would be determined by the number of Women of the Moose members joining the Association.

ACTIVITY MEETING DATE CHANGE

Please note that due to the 4th of July falling on a Thursday, the W.O.T.M. Activity Meeting has been changed to Friday July 5th at 7:00 PM.

Make sure to join our Facebook Page. For active Muskego Moose Members only. Facebook has the most up-to-date info about current activities going on at the Lodge. Info doesn't always get into the newsletter.

If you have any questions on how to sign up for Facebook; I would be more than willing to meet you at the Lodge and assist you with this. I have a laptop and we could do some quick computer lessons too.

As I write this letter

I am ready to become the next Senior Regent.

I am looking forward to working with all the helpful women to show me the way. I am new to this so learn with me and be patient. I will be asking a lot of questions. I hope to see more women come and join us in making our lodge a fun and happy place to come to. Caring for our Moose Charities and our local community. With everyone working together this is sure to be a great year!

Wishing everyone a wonderful Spring a new beginning of the season.

On Sunday, July 7, 2019 the Moose Family Center will be holding a rummage sale event from 10 am to 2 pm at the Muskego Moose Lodge.

For \$10, an outside parking spot for your car can be purchased and you can sell the “Junk in Your Trunk.”

For \$20, a large table inside the hall can be purchased to display your items. You can sell rummage items, crafts, or other products as Avon, etc.

We are also planning on having a bake sale that day, and any donations of any baked goods would be appreciated.

Food and drinks will also be available for purchase at this event.

If anyone would like to donate items for the sale, please bring them to the Moose Lodge.

This fundraiser will help support the Green Cap Ways and Means Committee. Create Our Future -You have the opportunity to talk to your friends and family and let them know of the many ways they can be of service to our fraternity as well as in our communities: Food Pantry, Nursing Home, the Tommy Moose program and many, many more. What is Tommy Moose, you ask? Tommy Moose is a stuffed moose that the Chapter makes available to local fire and police departments for their use where there is a child in need of comfort. What better way to offer comfort – AND – let the public know about our commitment in our communities.

Again, congratulations, and thanks to these sponsors for continuing to ‘talk Moose’!
