Saturday November 2, 2019

The Lodge will be hosting a Pork Chop dinner and Music. Dinner will be served at 5:00 pm. For \$12.00 you will get a pork chop with red potatoes, squash and salad bar. Music by Mark Wayne will start around 6:00 pm. We are open to the public for this event. Please sign up at the Lodge as there is limited seating of 60 people.

Mark Wayne performs songs the people love! Originally from the Milwaukee area, Mark is an entertainer from Tomahawk, WI, performing nearly 6 days a week in the summertime throughout the state and beyond, showcasing the songs of "Johnny, Merle, Waylon, Willie," and much more!

In addition, Mark implements LIVE steel guitar playing into his event-enhancing shows - a refreshing change that is enjoyed by many. Mark has entertained at the Gibson Showcase Theatre in Nashville, and has performed with many professional artists, opening for Marty Haggard, Kenny Rogers, Glen Campbell, Ronnie Milsap and more.

Not having dinner, then stop in around 6:30 to listen to the music!

**Governor Message . . .**

And just like that, the last two months of 2019 are upon us! I look back in amazement at the recent accomplishments of our Muskego Moose Lodge (winning the Premier Lodge Award), the Wisconsin Moose Association (voting for a Joint Association, where men and women have an equal voice and standing), and the overall Moose organization (decision to go smoke-free in all lodges) and am so excited at what lies ahead for us!

Since 1913, the men and women of the Moose have always worked well together to accomplish our core missions, but management and decision making were not shared functions. I am delighted to report that true equality is coming at all levels of the Moose! As mentioned above, the Wisconsin Moose is now a Joint Association, meaning that women Moose members can now hold District and State officer positions. Additionally, the members of the Muskego Lodge 1057 and Chapter 1617 recently voted to implement a Joint House Committee, meaning that soon management and decision making related to the operations of our Lodge will be a joint effort by the Lodge and Chapter Boards of Officers. Finally, as mentioned in the previous newsletter, this month representatives from all levels of the Moose organization will meet in Orlando, Florida for the One Moose Town Hall to discuss the idea of establishing a single membership model that will provide enhanced opportunities for all members of the Fraternity.

To some Moose members, these changes toward true equality may appear to be a bit scary but I believe it is critical for the future health and sustainability of not just our lodge, but the entire Moose organization. I hope everyone embraces these changes and commits to helping make our Lodge a better place.

In September, the House Committee hired Dave Skrobis to the position of Social Quarters Manager. Dave, who has been a long-time member and is a Past Governor of the Lodge, will be responsible for managing operations, scheduling the bartending staff, assisting with coordinating kitchen operations, and purchasing food, alcohol and other supplies. A big thanks to Dave for stepping up to help our lodge!

The Muskego Lodge has chartered a bus for the December 7<sup>th</sup> Mooseheart Tree Lighting Program. This promises to be a very special day and, for those that have never been to Mooseheart before, this will be a life-changing event. If interested, please put your name on the Tree Lighting Sign-up Sheet located on the notice board across from the bar. As you read through the newsletter, you will notice that there are many other fun activities going on at the Lodge in November and December. We invite all members to come down to the Lodge with your family to enjoy some fun and fellowship. Remember, this is your Lodge!

As I mentioned in previous newsletters, the Muskego lodge is always in need of additional volunteers, so please consider helping to make your lodge home a better place by volunteering. There are many opportunities to volunteer at the Lodge, as well as in the community on behalf of the Lodge. If interested in volunteering, please contact me at 414-897-3237 or mark@endpointcorporation.com.

I want to sincerely thank you all for being members of our wonderful organization. Let's all work on strengthening our membership by inviting friends and family to join our great organization and also work on retaining those members we have. Let's get to work to **Create Our Future!** Together, we are making a difference!

**Mark Penzkover,**  
**Governor**

**THANK YOU!**

Our Third Annual car show has come and gone. Although the weather was not cooperating that day, we still had many participants. There were approximately 60 cars and each and every one there was appreciated!

Thanks to the bartenders who put in a long day and night. The food was all amazing and special thanks to the Women of the Moose for the breakfast served. And also their help with the raffles. The Moose Riders organized all the parking and also served food.

A special thanks to all the help given by the Board Members, and all Members of the Lodge for stepping up to volunteer, bring food, serve food, raffle and registration help.

Thanks to you all! See you next year!

From Event Organizer,  
Dale Bodden

In addition, in the event you experience the loss of a loved one, the Lodge will make available a "funeral lunch" if desired. For more information, contact Cindy at 262-492-6578.

### *Not renewing your dues?*

For those of you who are thinking about not paying your dues, this is to remind you of why Muskego Chapter and the WOTM exist.

Even if you do not use the Lodge facilities very often, they \$35 dues you pay each year helps to care for the over 200 children at Mooseheart, as well as the 200+ senior Moose members at Moosehaven. **YOUR** dues enable the Loyal Order to provide a home life these children and senior members might not be able to enjoy otherwise.

So – when that dues renewal notice comes in the mail, please write that check (or pay online) immediately.

We hope you will come to the meetings – meet your fellow Moose members – and enjoy some of the many activities that take place – food, music, cards, pool, shuffleboard, etc. Many members feel the Moose is a 'second family' with whom to enjoy life. **Can we count on you?**

Recognized at November meeting***

At the College of Regents meeting Thursday Nov 7th, Chair Julie Kronenburg and the C/R Committee members will honor Collegian Cheryl Klabunde who will receive her Red Stole. Congratulations Cheryl, this is an honor well-deserved!

They have been asked to join with other committees to provide funds for the Mooseheart Music Department. It is very gratifying to know that almost 50% of the students from 4<sup>th</sup> grade to high school participate in the Mooseheart Music program. Not only do they learn how to play instruments and appreciate music, but they also learn to believe in themselves. Both elementary and high school students at Mooseheart have the unique opportunity to learn and participate in a total music program under the expert leadership of Mr. Steven Schmidt. Mr. Schmidt has been working with our students since 1988. His love for teaching and his love for Mooseheart children are evidence through their enthusiasm for the program. Since 1989, the WOTM have been donating to the Music Department on a yearly basis and have once again accepted the responsibility. Mr. Schmidt and the children are able to continue with the music program because of the continued dedication and generosity of our co-workers. This is definitely a gift of love we give to our Mooseheart children.

The committee's fundraiser is Soup-er Tuesday's. From the proceeds, the committee will be able to make a generous donation for the Music Department, as well as for the WOTM Scholarship & Maintenance Fund. The committee thank all members in advance for their fine support of their project.

Members of the College of Regents committee are: Sue Anderson, Jacqui Corso, Marilyn Davis, Ione Fowler, Julia Holtz, Colleen Jones, Carol Kau, Cheryl Klabunde, Sara Krenzien, Joyce Krueger, Susan Krueger, Kris Lobotzke, Sandra Lesperance, Ramona Schuyler, Barbara Thibedeau, Karen Thibedeau and Marlene Weber.

***Community Service Committee  
Honored at December meeting***

At the Dec 5<sup>th</sup> meeting Community Service Chair Deanna Hardrath and her committee will be recognized. As you know, each committee is asked to have a fundraiser to provide funds for special needs at Mooseheart and/or Moosehaven. The project assigned to the Community Service Committee is to provide funds for the Special Activities Fund at Mooseheart.

This fund provides the financial assistance necessary for the special activities that take place on and off campus for our children there. This includes hall decorations for special holidays, special table decorations and much more. In addition, Special Activities also enable the students to attend off-campus events, such as: movies, water parks and other forms of recreation. Because of the continued generosity of the Family Involvement Committee, our Mooseheart children can be assured they will enjoy the same special occasions and activities as other children.

The committee's fundraiser is still in the planning stage. From the proceeds the committee will be able to make a generous contribution to Moose Charities for the Special Activities Fund at Mooseheart as well as the WOTM Scholarship and Maintenance Fund. Jean and her committee wish to thank you in advance for your generous support to this important need.

**Senior Regent Message...**

HELLO EVERYONE

We are heading into fall. As always summer flew by. This is the time of year that has a lot going on at our lodge. Packers are playing which is always a fun time. Please check out all the exciting things going on.

It's a real exciting time for me, being the Senior Regent!! We are now a Joint House Committee. What does this mean you may ask . . .

Women and men working side by side. We will form a more powerful team and provide better results. We have the same goals and best interest of our lodge, also Moose Heart and Moose Haven I am looking forward to moving ahead and joining this team.

Again, a little reminder of the Coach bus going to the Tree lighting at Moose Heart look for the sign-up sheet. Make your Christmas a little more meaningful.

**See you at the lodge my friends,**

**Sr Regent Shirley Knight**

**Muskego Named Top Chapter of the Year**

Here's the criteria to qualify for the Top Five!

- Gain in membership
- Received Award of Achievement for past 2 years
- Attendance at training sessions
- Donations to Moose Charities
- Chairs are all filled

Because of all the hard work and dedication of our Co-workers and Board of Officers, we have earned the Top Chapter.

**Congratulations!! What a well-deserved honor.**

**WELCOME NEW MEMBERS****New Members**

Christine Genovese

Kris Lobotzke

**Create Our Future** -You have the opportunity to talk to your friends and family and let them know of the many ways they can be of service to our fraternity as well as in our communities: Food Pantry, Nursing Home, the Tommy Moose program and many, many more. What is Tommy Moose, you ask? Tommy Moose is a stuffed moose that the Chapter makes available to local fire and police departments for their use where there is a child in need of comfort. What better way to offer comfort – AND – let the public know about our commitment in our communities.

Again, congratulations, and thanks to these sponsors for continuing to 'talk Moose'!

*Red Stole celebration  
for Cheryl Klabunde  
On November 7th*

On Thursday, November 7<sup>th</sup>, the Muskego Chapter 1617 will hold its Committee Activity Night honoring the College of Regents Degree which will be sponsored by the Higher Degrees Committee, Julie Kronenburg is Chairperson (Higher Degrees are Academy of Friendship, Star Recorder and College of Regents). During this meeting the College of Regents will be celebrated, and Cheryl Klabunde will receive her Red Stole.

What is a Red Stole?? The Red Stole is the final piece of regalia for the College of Regents Degree. One year after the date the College of Regents degree is bestowed upon a co-worker, the initial Green Tassel, which signifies a new Collegian, is changed to red. Within three or more successive years from the date of conferral the Red Stole can be bestowed. To achieve the Red Stole, a co-worker must be in good standing within her chapter and the College of Regents and have enrolled three new or re-enrolled members into the Order to earn the Red Stole. Cheryl received her College of Regents degree in the International Convention held in St. Louis, MO, in 2016 and has met all the requirements to receive the Red Stole.

This meeting will be an open meeting which means all members are invited; please show your Moose membership card at the door. Please join us afterward for desserts.

When you see Cheryl at the lodge, please take a moment and congratulate her!

### ***Green Cap Ways & Means Activity Night***

Monday, December 16, 2019 at 7:30 PM we will honor our new Green Cap Recipient Rachel Oemig-Klein. Members of the Loyal Order of Moose, qualified guests and prospective members are invited to attend. Refreshments will be served after the meeting.

***“What is that?”*** you may be asking?

The Green Cap is an honor, not a degree, for the WOTM (Women of the Moose). Junior Graduate Regents (JGR) were first invested with the Green Cap in 1950. The color green indicated she was a college freshman prior to receiving her cap and gown. The green cap brings with it the opportunity to achieve the coveted cap and gown of the College of Regents. It is a symbol of success not only for the JGR, but for her chapter as well.

Rachel was the Chapter Senior Regent for 2018-2019; she and the Chapter (all of you!) met all the requirements set forth by Moose International and earned the Award of Achievement for that year. As a result, Rachel, as Senior Regent that year, began her journey to receive the highest degree a woman of the Moose can earn—the College of Regents Degree. Part of this journey is receiving the Green Cap honor which is bestowed at each annual state conference. When you see Rachel, congratulate her!

When it comes to tricycles, most people believe that they're strictly for kids, but that's not true. Lots of adults have been using and enjoying the services of tricycles to gain mobility and improve their level of fitness. They are also used for strength-building. Tricycles are the perfect choice for fun and workout activities at any given age, time or place.

Our Moosehaven residents use electric tricycles to move freely around the Moosehaven Campus from their residence to the Beauty or Barber Shop or perhaps to a doctor's appointment or Bingo.

And while our residents are zooming around Campus with the wind blowing through their hair, they are receiving many of the benefits of adult biking which revolves around the great coordination of the various muscles during the process of pedaling- the arms and legs coordinating to mount and dismount from the tricycle-the hand and eye coordination to steer and direct-all in conjunction and in perfect unison with the mental faculties of the adult rider.

Adult tricycle riding can help refine and reduce certain mental conditions such as anxiety, depression, and stress common with some elderly riders. Adults can achieve these goals by regularly making use of their tricycles and enjoying the comfort and peace associated with biking adult tricycles.

Fortunately, our residents use their tricycles so much that they often wear out or are in desperate need of major repairs. The Women of the Moose have volunteered to take on this project so very near and dear to our residents.

Rachel's committee's fundraising project was Junk-in-the-Trunk held in July along with various raffles. From the proceeds the committee will be able to make a generous contribution to Moose Charities for the Moosehaven Tricycles as well as the WOTM Scholarship and Maintenance Fund. Rachel and her committee wish to thank you in advance for your generous support to this important need.
