Embrace Our Community

Membership campaigns are created and implemented by the Membership Department at Moose International. Annual Membership Campaigns typically run from May 1 to April 30 and have a unique theme each year.

This year's Annual Membership Campaign is "Embrace Our Community" which runs from May 1, 2024 to April 30, 2025. "Embrace Our Community" highlights the good that our Fraternity has provided to our local communities for the past 100+ years and promotes what we will continue to do into the future. We embrace our communities with awareness of the Moose, ask how we as a Fraternity can assist, and invite them to join us in support of their/our community.

Administrator Message. . .

Hi Everyone!

It's beginning to actually feel like Spring out! I hope everyone had a chance to check out the eclipse last month. We had a group of members holding a viewing party in the parking lot.

Please continue to keep Tom Kronenburg in your thoughts as he is still undergoing chemo treatment for his cancer. However, his radiation treatments are finally complete! Tom is doing good and has been in the lodge quite a bit more lately.

Our lodge is doing well, and we are financially strong. With a new board of directors coming on this month, we are going to look at continuing to make improvements. Now that the weather is getting nice out, we can start looking at completing the following projects I've been mentioning in earlier newsletter messages. Here are some of the improvements I've mentioned before listed in what I feel are highest to lowest priority.

- We have an ongoing roof leak along the party wall separating the Social Quarters and the hall. This has been a nuisance for as long as I've been involved with the Moose and several attempts to fix it eventually failed. This in my mind is our number one priority.
- Improving the exterior lighting around the building. Now that the weather is a little warmer and nicer, we will be repairing the exterior lighting and then assessing any changes needed to improve the lighting.
- New carpet in the hall. The WOTM have already donated money to help fund the new carpet. Dave Skrobis is getting us a quote for the replacement.
- Expansion of the exterior deck on the south side of the banquet hall, the purpose of the expansion is to provide a second entry and exit on the east end, handicap access without having to go through the hall and a little more room on the east end.
- Complete the landscaping around the new electronic sign and message center outside. I'm hoping we can get a few members to step forward and volunteer to do a little gardening and repair on the block retaining wall. Otherwise, we will be hiring a landscape firm to do the work.
- Install an electronic membership card access reader on the north door of the Social Quarters. It will be similar to the access reader in the main entrance vestibule. This will provide easier access to the Social Quarters for members parking in the handicap parking spots along the north side of Social Quarters.

Since our last newsletter, as you can see, we have not made much progress on any improvements other than needed maintenance and repairs. The most notable repair has been the installation of two new sump pumps in the basement. Many thanks to Ken Pulczinski for replacing the pumps. Ken replaced the sewage pump that we knew had not been working for some time. It was only serving a single floor drain in the basement which is why it failed due to lack of use over time. We are going to need to pour water in the basin occasionally to operate the pump to insure it works if ever needed. Ken also discovered the ground water sump pump was not actually pumping water although it sounded like it was running. This was discovered during our St. Patrick's Day dinner and party when we found ground water coming into the basement from the foundation. With the new pump Ken installed, hopefully we have solved the flooding problem for good!

Here is the broken record again!

- We continue to need more help and cooperation from our membership. The more we can get membership to volunteer and help out, the better our lodge becomes. Please, if you can come out and help doing just one small thing, makes life easier for all the other volunteers. One of the important areas of our lodge needing help is in the kitchen. Thanks to a few people who stepped up, we have been able to continue our Friday fish fry's. If you like kitchen duties, you're the person we're looking for!

- Please help with keeping our lodge clean and presentable. If you see trash or recyclables laying around in the building or on the ground, help out by picking it up and putting it in the trash. If you see a trash can full and are able, don't be afraid to take it out to the trash dumpsters. We have additional trash can liners. Just ask a bartender. Thinking someone else will do it is not the answer to keeping our lodge clean and enjoyable.
- We continue to update our sponsors page in our newsletter and scrolling screen. We now have 8 sponsors! Thanks to those sponsors. Please patronize our sponsors. If you are interested in sponsoring the Moose with your advertisement, please send me the artwork and \$150. Your ad will be displayed for one year. We still have plenty of room for more sponsors.

It's an honor serving as our lodge Administrator. Have a great spring and start of summer. Until we next meet in the lodge, See ya!

President's Message

A few years ago, a friend and I accidentally found ourselves at the craft fair here. Who would have known how much of an impact that one day would have played into my life! I remember having a drink and chatting with the bartender, who is now lovingly referred to by husband as "Little L", about what the Moose are all about? At that time, I had lived in Muskego for about seventeen YEARS and had never been to any Moose event and only knew the building was closed to public. During that conversation I was told about Sheepshead night and how we should come try it out. Laurie introduced me to Karen who invited us to be her guest that next Monday and the rest is history! Those seemingly small acts of friendliness changed my life forever. Each and every Moose member has the power to change lives every day, not only the lives of the children at Mooseheart and the seniors at Moosehaven, but also the lives of the people in our community. Our goal this year should be that all of Muskego knows who we are, where we are, and what and who we support! Our impact can be immeasurable!

I am so honored to serve you all as the next President of our Lodge. I want everyone to know that you are not just a number to me. I encourage everyone to attend at least one membership meeting a month.... or both. You owe it to yourself to know what is going on around here; we all work hard to raise money you should know how it is being spent. You have a right to have your opinions heard; they matter. That is how positive change happens. We want to hear your ideas. Ideas stem from ideas.

I look forward to this next year and all it will bring. My husband teases me that my phone is always in my hand so if you need me, I will answer (as long as it is after 9am and before 8pm). Thank you for all your continued support. I won't let you down.

Membership Committee**Recognized at May meeting**

The May 16th Chapter meeting is in honor of Chairperson Helen Emery and the Membership committee.

"Each committee is assigned a special project by International Headquarters and our committee is proud to be able to provide funds for the "Daily Needs" program at Moosehaven.

At Moosehaven as with any normal household, residents have daily needs and desires requiring financial assistance. The Daily Needs program will provide funding for things such as clothing, laundry, newspapers, pet needs and often necessary bicycle repairs.

As the WOTM continue to assist our Moosehaven Campus to offset their annual budget, the committee is pleased to provide funds to ensure residents have the fashion clothing they like and want, as well as the means to properly care for those clothing items.

The committee's fundraising project will be Souper Tuesday's this fall. From the proceeds of their project, we will be able to make a generous donation for the Daily Needs Program as well as the WOTM Scholarship and Maintenance Fund.

The main purpose of the Membership/Retention Committee is just what it implies, retaining the members that we have and those in arrears, as well as continuing to build WOTM/Chapter membership. All co-workers are encouraged to 'talk Moose' to friends and family to ensure the future of the children and senior Moose Members entrusted to our care.

Higher Degree - Academy of Friendship Committee**Honored at the June meeting**

The June 20th Chapter meeting will honor our new Academy of Friendship member Tracy Manz and all who hold the A/F. Tracy received the Academy of Friendship at the Mid-Year Conference in Fond du Lac in March. To receive this honor a Co-Worker needs to sponsor 5 members into the Chapter, serve on the Board of Officers and sponsor 2 members or serve as a Committee Chairman during the Chapter year and sponsor 2 members. The Chapter must earn the Award of Achievement. Since the closure of Mooseheart's Central Kitchen, our Family Teachers and children continue to head to local grocery stores, on a weekly basis, to purchase food items aligned with Mooseheart's 6-week cycle menu, which was developed by Family Teachers with the assistance of a licensed dietician. Children and teens are now able to assist with the homes' food budget, meal preparation and cooking. These are all great independent living skills that our kids will need once they graduate and move on from Mooseheart.

Our gifts will feed a home of 10 girls or 10 boys for a month and support our Mooseheart community in this fun adventure!

The committee's fundraising project was Wing Wednesday, from the proceeds, a generous donation will be made to the Moose Charities for this very special undertaking.

Senior Regent Message

Hello fellow members, my name is Katrina Wittenberger, and I am your new Senior Regent of The Women of the Moose. Some of you may not recognize me by name but you may have seen me helping out on Wednesday wing nights and updating our window. I am honored to be serving you all and following in some big footsteps by Tracy Manz. I hope to be just as amazing as she was this past year. As Senior Regent, my goal is to get the message out to all our women members about how important the Women of the Moose are to the Lodges success and what joining our chapter is all about. We plan on having some fun events along with fundraisers this year, and I would like to have some new faces helping and some exciting ideas! I am looking forward to another great year at the Moose Lodge!

“Go raibh maith agat!”

(guh rev mah ah-gut)

The Irish thank you, ‘Go raibh maith agat’, when literally translated means ‘May you have goodness’. When someone helps you with a task, you can say ‘Go raibh maith agat’ to express your gratitude.

This sentiment was shared many, many times during the St. Patrick’s Day dinner and celebration held on Saturday, March 16th.

The corned beef dinner, again prepared by Kenny Engle and team, was again a huge hit!

A few mind-boggling stats to share on what was served:

- 400 pounds of corned beef
- 100 pounds of potatoes
- 100 pounds of carrots
- 100 pounds of cabbage

This does include all the pounds of bread, sauerkraut, and condiments. And let’s not forget the desserts! An entire covered pool table adorned sweets to satisfy any sweet tooth!

The Irish drink and ice cream bar was yummy and enjoyed by many.

The 50/50 raffle and can raffle was a success and funds are going to be donated to Cystic Fibrosis.

The band, All the Kings Men, provided a fun atmosphere of great music, dancing and a little ‘Elvis’!

The biggest thank you or “Go raibh maith agat!” goes to all the volunteers, big and small, young and old, who made this event possible—all the work behind the scenes, in front of the house, and behind the bar made the celebration run smoothly. The generous donation of your time does not go unnoticed or unappreciated!

Gracias! Merci! **DANKE!** Dziękuję! Grazie!

However, you say it, **THANK YOU** from the Muskego spaghetti crew for all your support this past pasta season. This was our umpteenth year serving members spaghetti dinners! We loved seeing old friends and making new ones, too! The spaghetti was enjoyed by members of all ages and was even the dinner chosen for a few celebrations! Again, this year our favorite spaghetti night was our Veteran’s Day spaghetti—what an honor it was to serve our service members!

Our meatballs and garlic bread (with homemade garlic butter!) continued to be a hit! We appreciated your feedback and compliments!

A lot of work goes on behind the scenes to make this a delicious meal for members to enjoy. If you would like to help next pasta season, please contact the Chapter Senior Regent.

We are now going to get ready to enjoy the summer! If all goes well, we will see you again in the fall!

Thank you fellow Moose members for all your support!

DANDILION DAZE

37th Annual Community Festival!
August 23--25, 2024

By 1987, Dandilion Park (Muskego Beach Amusement Park) had long been gone. The amusement park located on the southern bank of the Muskego Lake was a great place for games, rides, music, and beach, but closed in 1977. Some of Muskego’s community service group leaders thought it was time again to offer the citizens of Muskego an event and place to celebrate with family and the spirit of the community. The first weekend long family-orientated community event to be known as Muskego Community Festival was born.

That was over 35 years ago!

The first festival was held on empty grounds where Pick and Save stands today. As the festival grew, there was a need for more space and the celebration moved to the grounds next to City Hall.

The family-orientated community event created in 1987 has blossomed into one of the largest free multi day festivals in southeast Wisconsin featuring music for all ages, top bands from the area, variety of food, a carnival, a corn-hole tournament, a 5K race/walk and a parade. Held the fourth weekend in August, it has often been referred to as the “official end of summer”.

This is the only festival in the area which has seven collaborating community service groups that meet all year long to plan, present and staff this event.

The seven groups are:

- Muskego Woman’s Club · Muskego Moose Family Center #1057
- VFW#8171 · Muskego Icetronauts Snowmobile Club
- Muskego Athletic Association · Muskego Lions Club
- Muskego Area Chamber of Commerce

Former groups:

- Little Muskego Lakes Association 1987-2022
- American Legion Post #356 1987-2020

Any excess net funds from the event are shared among the seven groups. Each group uses the funds to provide community enhancement programs in support of education, child services, city beautification, community events, patriotism as well as their own mission.

Today, as the times change, so does the festival. Muskego Community Festival will continue to offer our favorite things but is now known as *DandiLion Daze!* *This pays homage to the history of our community.*

The 2024 Honored Group is the City of Muskego Chamber of Commerce.

*The theme for 2024 is: **A Community of Neighbors***

* * * * *

The community festival and **OUR MUSKEGO MOOSE** have had a history since day one!

Originally part of the nine community service groups that comprised the festival board, the Moose has the primary task of overseeing parking responsibilities. Currently, there are seven remaining community groups who meet monthly to plan and present the festival, each group being responsible for a piece of the festival puzzle. Duties and responsibilities are now shared more widely—as we say in the Moose “A burden bore heavy by one, is made lighter by many.”

Our Moose representative on the festival committee is Kevin Pope (one of his many caps!) and he oversees the parking responsibilities on Friday, Saturday and Sunday during the festival weekend. This is no small task and Kevin will be asking for members for help, to sign up for a parking shift—check for a sign up posting at the lodge, on the website/facebook page or contact Kevin—his contact information is in this newsletter. Whatever amount of time you can volunteer would be appreciated! Moose member, Karen Thibedeau, is also on the festival committee as the secretary.

MOOSE LODGE ENTRY SYSTEM

The Lodge has put a new entry system at the main door. If you have a new Moose Member Card with the QR code on the back or if you have the Moose Mobile App with your Moose Card on your cell phone, you will need to place the QR code (pointing up) under the bottom of the scanner, wait for the door to unlock (beep) and then enter. If it does not beep, slowly lower the QR code away from the scanner.

If your membership card does not have the QR Code, continue to slide/swipe the card. You will hear a click and then you can enter the building.
