Embrace Our Community

Membership campaigns are created and implemented by the Membership Department at Moose International. Annual Membership Campaigns typically run from May 1 to April 30 and have a unique theme each year.

This year's Annual Membership Campaign is "Embrace Our Community" which runs from May 1, 2024 to April 30, 2025. "Embrace Our Community" highlights the good that our Fraternity has provided to our local communities for the past 100+ years and promotes what we will continue to do into the future. We embrace our communities with awareness of the Moose, ask how we as a Fraternity can assist, and invite them to join us in support of their/our community.

President's Message

I hope everyone is enjoying their summer so far and that the rain isn't dampening anyone's plans! Haha! See what I did there! I know summer is a busy time for everyone with vacations but please remember that your Moose Lodge still needs you. Attached to this month's newsletter is a form that can be printed or torn off and filled out that lists many volunteer opportunities that you may have not even known existed. Please take the time to read the list and return the form to the bartender. Please know, that this form is just a fraction of ideas. Feel free to add anything you may want to do or your interests or hobbies.

Members, PLEASE consider attending our membership meetings that are held the second and fourth Wednesdays every month at 6:30pm. You will hear about what is or will be happening at our lodge. At these meetings you are able to share your ideas and have your voice be heard. You can't rely on Facebook or the newsletter alone for information. We are trying something new for the summer called "Mini Moose Kids Activity Hour" to help parents and grandparents with childcare so that they can attend this meeting. Lisa and her husband Gary Villwock have stepped up to do crafts and activities with the kids. Please contact Lisa with any questions at 224-542-8979. Children are the future of the Moose. It is my goal this year to have more fun things and activities specifically for kids to participate in.

MARK YOUR CALENDARS! I volunteered to sit on a panel with the Muskego Police Department to help organize and run their first annual K9 fundraiser. We donated the use of our facility for Sunday August 18th. They will be starting the morning with a fun walk/run called "The foot pursuit" (see their flyer for the location) followed by a pancake breakfast to begin at 9am and a cornhole tournament at noon at the Lodge. There will be food trucks with lunch options. This is a Police event, and they will be reaching out to the community for volunteers, however, this is a big opportunity for our Lodge, and it would be nice to have our own members helping too! Let me know if you are available to help that day.

Thank you to all those who continue to go above and beyond! Thank you to those who have stepped up when needed. Your time is the most valuable thing you have to offer and is greatly appreciated! Have a safe and happy summer!

Administrator's Message

Hi Everyone!

I think it's safe to say summer has arrived. It's 80+ deg. outside and expected to be in the 90's next week!

Please continue to keep Tom Kronenburg in your thoughts as he is still undergoing chemo treatment for his cancer. Tom is doing good and has been in the lodge quite a bit more lately.

Our lodge is still doing well, and we are still financially strong. We are still working to make improvements. We have started work on a few projects around the lodge. Here are some of the projects we've started.

- The ongoing roof leak along the party wall separating the Social Quarters and the hall. We think we've determined the cause to be the roof curbs installed under the two-rooftop heating and cooling units serving the Social Quarters. We are working with a roofing contractor and mechanical contractor to get the curbs replaced.
- One of the rooftop heating and cooling units serving the Social Quarters has a failed heat exchanger. The unit is not able to provide heating and needs to be replaced. We have a quote from a mechanical contractor to replace the unit including providing new roof curbs for both this unit and the other unit serving the Social Quarters. This is part of addressing the roof leak issues.
- Work has begun on the landscaping around the new electronic sign and message center outside. Tracy Manz our President is spearheading the efforts with this work and we're looking for volunteers to help with this.
- Work is going to start very soon on an issue with the basement flooding we continue to experience even though we replaced the ground water sump pump in the basement. We have two sources of flooding.
 - The exterior window well is leaking water into the basement. We believe this is due to the roof gutter system being undersized causing the gutters to overflow onto the ground right next to the basement window well. Our solution is to increase drainage capacity of the gutters by adding additional downspouts to the gutters.
 - Water continues to spill over the basement floor slab at the bottom landing of the stairs down to the basement. We believe this is due to a clogged drain tile at the footing of the foundation wall. We have a contractor scheduled to come out and cut a hole in the basement floor to expose the drain tile and rod out the blockage in the drain tile. Hopefully, this is the solution. Because if it is not, we're back to square one as to determining the cause.

The following projects have been put on the back burner due to the expected costs of replacing the rooftop heating and cooling units, repairing the roof leaks and solving the basement flooding issues.

- Improving the exterior lighting around the building. We still believe we can get this worked on very soon.
- New carpet in the hall. Not sure at this time when this will be completed.
- Expansion of the exterior deck on the south side of the banquet hall. Not sure when this project will be completed.
- Install an electronic membership card access reader on the north door of the Social Quarters. Not sure when this work will be completed.

Here is the never-ending broken record!

- We continue to need more help and cooperation from our membership. The more we can get membership to volunteer and help, the better our lodge becomes. The board is working on developing a list of tasks/chores to be taken care of that don't get the regular attention needed. These should be rather easy things most any member could step up and do. Will keep you posted on when this list becomes available. If everyone could come out and help doing just one small thing, it would make life easier for all the other volunteers. One of the important areas of our lodge needing help is in the kitchen. Thanks to a few people who stepped up, we have been able to continue our Wednesday wings (wings is over for the season and replaced with grilling out on the deck Tuesdays and Wednesdays until this fall), Thursday Tacos and Friday fish fry's. If you like kitchen duties, you're the person we're looking for!
- Please help with keeping our lodge clean and presentable. If you see trash or recyclables laying around in the building or on the ground, help by picking it up and putting it in the trash. If you see a trash can full and are able, don't be afraid to take it out to the trash dumpsters. We have additional trash can liners. Just ask a bartender. Thinking someone else will do it is not the answer to keeping our lodge clean and enjoyable.
- We continue to update our sponsors page in our newsletter and scrolling screen. We now have 9 sponsors! Thanks to those sponsors. Please patronize our sponsors. If you are interested in sponsoring the Moose with your advertisement, please send me the artwork and \$150. Your ad will be displayed for one year. We still have plenty of room for more sponsors.

It's an honor serving as our lodge Administrator. Have a great summer. Hopefully it won't feel like it's going too fast! Until we next meet in the lodge, See ya!

Fraternal Activities Committee**Recognized at July meeting**

The July 18th Chapter meeting is in honor of the Fraternal Activities Chair Shirley Knight and her committee. Every year WOTM International assigns a special project for each committee to benefit either the children at Mooseheart or senior members at Moosehaven. This year the special project for the Activities & Sports Committee is to again provide funds for the **Mooseheart Girls Athletic Program**.

As with the boys' athletic program, an outstanding sports program is also offered to Mooseheart girls. The girls' athletic program enables the students to take part in basketball, volleyball, track and bowling.

Our Mooseheart "Lady Ramblers" are provided with sporting opportunities that may not have been afforded to them outside of Mooseheart. When children play a team sport, they learn that it doesn't just come down to the best player, it comes down to working as a team, accepting decisions and understanding that people have different abilities.

Team sports can also be good for a child's mental health. Children who play sports learn how to be more resilient when presented with a setback and are less likely to feel isolated.

The committee's fundraising project is the raffles at the family picnic. This year, the Fraternal Activities Committee is extremely pleased to be able to donate funds towards the Mooseheart Girls Athletic Program as well as the WOTM Scholarship & Maintenance Fund.

Higher Degree - Star Committee**Honored at August meeting**

Higher Degree Chairman Rachel Oemig-Klein and her Committee will be honored at the Chapter meeting August 15th. Throughout the Chapter year each committee is asked to provide funds for a special project/need for Mooseheart or Moosehaven from their fundraiser. This year the special project is to provide funds for the **Mooseheart Boys' Athletic Program**. The Athletic Program provides an opportunity that the boy's might not have had in public schools. Every boy can take an active part in the sports program offered at Mooseheart. Regardless of size, weight or ability, our students are involved in football, basketball, wrestling and track. As we are all aware, involvement in sports teaches youth the value of good sportsmanship and respect for oneself and others.

The Committee's fundraiser will be Wing Wednesday, this coming fall. Watch for upcoming dates. From the proceeds of their fundraiser a generous donation to Mooseheart for this very important program along with a check to the WOTM Scholarship & Maintenance Fund.

Senior Regent Message

Yay! Summer is finally here! Hopefully Mother Nature cooperates and gives us plenty of sunny skies after all that rain we got. I hope all of you come out and enjoy your membership here this summer. We have a lot of exciting events happening! The lodge picnic will be held on Sunday, July 21st. We are also very excited to be the hosting spot for the Muskego K9 Fundraiser on Sunday, August 18th! It will be a huge event and a great one to support. I look forward to learning more about the lodge as I embark on this new journey as your Senior Regent. I hope to see and meet all your smiling faces throughout the summer months and events!

See you soon!

At the end of the evening, Flight for Life will land in the fields of Veteran's Park, followed by a glow stick safety walk led by the Muskego High School Drum Line. We hope to see you there!

Volunteers needed to set-up, take-down & man the tent. See a Board of Officer for details.

Chapter members whose dues were current on April 30, 2021, have been given 3 years of chapter dues at no cost. After the three years, chapter dues will be \$15 per year. With the help of your annual renewal, you are helping provide the financial assistance necessary for the education and well-being of our children at Mooseheart plus the health and security for our seniors at Moosehaven. By renewing your membership, you will be making a difference in the quality of life for our beloved children and seniors. Please consider paying your dues.

Please Renew your Chapter Membership
