Embrace Our Community

Membership campaigns are created and implemented by the Membership Department at Moose International. Annual Membership Campaigns typically run from May 1 to April 30 and have a unique theme each year.

This year's Annual Membership Campaign is "Embrace Our Community" which runs from May 1, 2024 to April 30, 2025. "Embrace Our Community" highlights the good that our Fraternity has provided to our local communities for the past 100+ years and promotes what we will continue to do into the future. We embrace our communities with awareness of the Moose, ask how we as a Fraternity can assist, and invite them to join us in support of their/our community.

President's Message

I hope everyone had a great summer! It sure did go quick. In July I had the privilege of representing our lodge and the Women of the Moose at the International Conference in New Orleans. CONGRATULATIONS TO EVERYONE! Our lodge was awarded the "Premiere Lodge" award! The Women of the Moose were awarded the "Award of Achievement." This is no easy feat. Every single lodge member made this happen and you all should be very proud.

Thank you to everyone that has taken time out of their summer to VOLUNTEER to keep things going. A few times we had to pivot but you all made it look seamless. We need to work on our consistency and for that to happen we NEED MORE VOLUNTEERS! Every single Friday someone asks; "Is there a fish fry" and a few times the answer has been no. We cannot continue to rely on the same couple of people to cook all the time. This not only goes for fish, but also for grilling, making tacos, and frying wings. We are not asking for someone to commit to taking it over, we are asking for new people to step up and cook or serve one or two times, more if you would like to. Please contact Doug Szymuszkiewicz if want to learn how it's done. If people don't help then the response will more often than not be "no we don't have food today." The money raised from selling dinners helps to keep our lodge running.

Junk in the Trunk in June had to shut down early this year because of the torrential rain that seemed to happen every other day but people still came out in the morning and all the vendors requested to come back next year! With the rain came an opportunity to open our hall that night to a fundraiser hosted by Making the Cut Tree Service that benefited the Muskego Police Department. I cannot thank those who stayed to help enough! They were able to raise over \$12,000 that night which included a \$1,000 donation from us! The theme this year is "Embrace our Community" and it can't get much better than that!

You may have heard by now that Past President Clyde Brophy was selected to join the "Honor Flight" in September. This is a once in a lifetime experience. Thank you to all of our veterans! You have sacrificed so much so that we all can live free in this great country. I cannot begin to say how grateful I am.

One last thing. I encourage everyone reading this to ask yourself these questions. Can I spare a few hours this month to help? If so, please contact myself or another board member, we have a place where you can make a difference. Have I gone to a new member orientation meeting....ever? If the answer is no, please attend one. I brought back a new presentation video from International. You will learn how much more the Moose organization does. Have you attended a membership meeting? If the answer is no, why not? You should know what is going on in the lodge. You have a right to vote where funds are spent. I heard the BEST quote at International and shall leave you with it regarding when you joined the Moose organization.

"It is not an application to a club; it is a promise."

Best regards,

Tracy Manz, President

Administrator's Message

I think we all would agree with me on where did the summer go? It's already the beginning of September!

Good news on Tom Kronenburg! His Chemotherapy is ending this month. Doc says he's looking really good and no longer needs to continue although he was scheduled to do so through the end of this year. I hope we all will see Tom in the lodge more as he starts feeling better from the effects of chemo over the next few weeks/months.

Our lodge is still financially strong. We are still working to make improvements. We have started work on a few projects around the lodge. Here are some of the projects we've started including updates on status.

- The ongoing roof leak along the party wall separating the Social Quarters and the hall. We've determined the cause to be the roof curbs installed under the rooftop heating and cooling units serving the Social Quarters. We are working with a roofing contractor and mechanical contractor to get the curbs replaced. This is taking longer than I had hoped but we're making progress as I just submitted for a grant from Moose International to help pay for this work.
- Work has begun on the landscaping around the new electronic sign and message center outside. Tracy Manz our President is spearheading the efforts with this work and she is still looking for volunteers to help with this.
- Work is hopefully going to start very soon on the issues with the basement flooding This also has taken longer than I had hoped.
- Improving the exterior lighting around the building. We have a quote from a contractor and are looking at determining what portion of this work can be done in house before we proceed with using the contractor we have the quote from. We hope we can get this worked on very soon.

The following projects are still on the back burner until replacing the rooftop heating and cooling units, repairing the roof leaks and solving the basement flooding issues are completed. We are not sure at this time when the projects below will be completed.

- New carpet in the hall.
- Expansion of the exterior deck on the south side of the banquet hall.
- Install an electronic membership card access reader on the north door of the Social Quarters.

Here is the never ending broken record!

- We continue to need more help and cooperation from our membership. The more we can get membership to volunteer and help out, the better our lodge becomes. The board is still working on developing a list of tasks/chores to be taken care of that don't get the regular attention needed. These should be rather easy things most any member could step up and do. Will keep you posted on when this list becomes available. If everyone could come out and helps doing just one small thing, it would make life easier for all the other volunteers. One of the important areas of our lodge needing help is in the kitchen. Thanks to a few people who stepped up, we have been able to continue our Wednesday grilling out on the deck. If you like kitchen duties, you're the person we're looking for. Please contact myself or Doug S. if you would like to help in the kitchen.

To quote a famous person

"Ask not what your lodge can do for you. Ask what you can do for your lodge!"

Administrator message continued page 8

Administrator Message continued from page 7

- Please help us with keeping our lodge clean and presentable. If you see trash or recyclables laying around in the building or on the grounds, help out by picking it up and putting it in the trash. If you see a trash can full and are able, don't be afraid to take it out to the trash dumpsters. We have additional trash can liners. Just ask a bartender. Thinking someone else will do it is not the answer to keeping our lodge clean and enjoyable.
- We continue to update our sponsors page in our newsletter and scrolling screen. We now have 9 sponsors! Thanks to those sponsors. Please patronize our sponsors. If you are interested in sponsoring the Moose with your advertisement, please send me the artwork and \$150. Your ad will be displayed for one year. We still have plenty of room for more sponsors.

One last thing. I would like to remind everyone being administrator (as one person said) can be a thankless job. Please try to keep this in mind as I don't know all the details of everything that is going on in the lodge. No one person can. The administrator is not responsible for planning or organizing events. The administrator's responsibilities involve day to day operations of the lodge from a financial respect, IRS respect and Moose international rules and regulations respect. This is a fulltime job! The best qualifications a person can have to do this job is to have a law degree, accounting degree and business management degree all at the same time! So, please don't be upset when I don't know the details of an upcoming event. I may know some. But not all. I will try to respond letting you know the person to contact I think can get you answers to your questions.

It's an honor serving as our lodge Administrator. Have a great what's left of the summer. Hopefully fall will feel like an extension of summer and not get too cold early. Until we next meet in the lodge, See ya!

Kevin Pope

Membership Committee - Recognized at September meeting

The September 19th Chapter meeting is in honor of the Membership Chair Helen Emery and her committee. Every year WOTM International assigns a special project for each committee to benefit either the children at Mooseheart or senior members at Moosehaven. This year the special project for the Membership Committee is to again provide funds for the **Moosehaven vision, hearing and dental costs.**

As medical costs are ever increasing, our committee will be donating funds toward eye exams and glasses, hearing tests and devices to aid our Moosehaven residents with their hearing as well as regular dental exams to keep their teeth in excellent condition.

Many of these necessary services are not covered by Medicare so we are doing our part to keep our residents happy and healthy.

The committee's fundraising project will be Soup-er Tuesday's. This year, the Membership Committee is extremely pleased to be able to donate funds towards the Moosehaven vision, hearing and dental costs as well as the WOTM Scholarship & Maintenance Fund.

It's hard to believe it's time of Christmas in October!

At the October 17th meeting, Mooseheart/Moosehaven Chairman Sherry Fritz and her committee will hold "Christmas in October" on behalf of our children at Mooseheart and senior residents at Moosehaven.

Our Mooseheart children know that because of the WOTM, they, too, will have a joyful Christmas season. The WOTM provide funds for photo Christmas cards, Christmas parties in each residence, lovely decorations and special treats. There is friendly competition to be the best decorated home with the best-decorated tree. The Mooseheart/Moosehaven committee and co-workers also provide funds for a special Christmas gift for each child.

At Moosehaven special events include the annual Christmas dinner and party, New Year's Eve party, Thanksgiving dinner, off-campus trips, as well as many monthly social gatherings both on campus and at the Life Care Center. These gatherings afford residents the opportunity to sing, dance and laugh the night away. Generally, music, food and beverages are provided to the residents free of charge. A great time is had by everyone including Moosehaven staff members who give of their personal time to attend and make sure the residents are well taken care of.

Each year, the Committee also conducts a Monetary Gift Walk. Members are invited to contribute what they can afford to give to provide additional Christmas gifts for the Mooseheart children and the Moosehaven seniors.

Anyone wishing to make a monetary donation and are unable to attend the meeting may send it to:

Muskego Chapter 1617
S86W21693 Janesville Road
Muskego, WI 53150

Please make donation checks payable to Muskego Chapter 1617 and mail them by Oct. 10th in order for the funds can be sent to International Headquarters with the monthly report.

Sherry and her committee are still planning a fundraiser. With the support of our Moose Members, they will make a generous donation to help support the Christmas in October Project at Mooseheart and for the Women of the Moose Scholarship and Maintenance Fund.

Senior Regent Message

Hello again! I can't believe that summer is coming to an end. It always seems to fly by too fast, doesn't it? I want to take a minute to thank all of you for making our lodge such a wonderful place and to all those who help make our events/dinners so successful. We've already had so many wonderful events these last few months, and I can't wait to share some of the upcoming fall events. BLT night will be held on September 10th-there is only a limited number of tickets available for purchase so buy your tickets before they're gone! The Craft Fair will be on Sunday, November 3rd as well. If anyone is interested in having a booth-please contact me as soon as possible. We will also be doing our annual kid Halloween party as well. More details to come soon for that. And as we enter a new season of colors and crisper air and reminders of thankfulness-I am so thankful to be a part of this wonderful place and thankful to each one of you.
