Moving Forward, Giving Back

Membership campaigns are created and implemented by the Membership Department at Moose International. Annual Membership Campaigns typically run from May 1 to April 30 and have a unique theme each year.

This year's Annual Membership Campaign is "Moving Forward, Giving Back" which runs from May 1, 2025 to April 30, 2026.

Our Fraternity has made a commitment to being ever present in our communities. By continuing our positive momentum, we make our meaningful contributions a reality. To move forward, we must make a positive impact on our society, by giving back.

President's Message

Welcome to summer! Finally! The first person who complains about it being "too warm" can go stock the beverage cooler. Bring on the sunshine and warm weather! We have already had a busy couple of months this year. I want to extend heartfelt thanks to everyone who has helped at any of our events so far, especially during our International Convention. I would like to give a personal thank you to Angela and Steve Woessner who camped at the lodge during the duration of the convention to coordinate our volunteers, meals and activities. Without Angela and Steve's help, none of it would have been manageable or possible. We have gotten quite a bit of feedback from attendees that have had nothing but good things to say about their time at our lodge.

During the International convention we ran out of license plates! This is the perfect opportunity for us to create a new design. Members can submit their ideas for a new design up until July 15th. Voting on the designs will take place from July 24th through the 27th. The winner will be announced during the lodge picnic. The winner will receive a free year's membership or cash equivalent if you are already a lifetime member and bragging rights of course!

Mark your calendars for JULY 19th. We are going to be hosting a scrap metal drive. A local company called Treasured Estates will be onsite collecting any scrap metal, computers, printers, TVs, cellphones and various other items that will be listed in the flyer to be recycled. They are doing all the work and will then send a check back to the lodge for a portion of the proceeds. We will need three or four volunteers to direct traffic. They will do all the rest! It has yet to be decided what to do with the proceeds.

We are in the beginning stages of getting quotes to redo the parking lot. More than likely this project will be spread over a few years due to the cost. We will be submitting a request to International for grant money to help cover the cost.

I would like to encourage you all to attend a membership meeting! I know this statement sounds like a broken record, however, there are so many things in the works or happening. You cannot rely on Facebook, the newsletter, or word of mouth to get all your updates or information. The board wants to hear your ideas. Ideas stem from ideas!

Again, thank you so much to everyone who volunteers. So many of you jump in to help when asked and I appreciate each and every one of you. Working together we can accomplish great things!

Administrator Message

Dear Members,

I'd like to extend a heartfelt *thank you* to all the incredible volunteers from our home Lodge and our neighboring Racine and Kenosha Lodges who helped make the Moose International Convention a great success. Your dedication, time, and teamwork truly showcased the spirit of our Moose family, and we couldn't have done it without you!

Looking ahead, we've got some exciting events coming up this summer:

 **Family Picnic – Saturday, July 27th**

 **Dandelion Days – August 22nd to 24th**

These events are always a great time to connect, celebrate, and enjoy the company of fellow members and their families. We're also hoping to see some *new faces* step up to volunteer. Whether you've helped before or this would be your first time, we welcome everyone to get involved—many hands make light work, and it's a fun way to be part of the Lodge community.

Thank you for your continued support and all that you do to make Muskego Moose Lodge 1057 a special place.

Fraternally,

Fraternal Activities Committee**Recognized at July meeting**

The July 17th Chapter meeting is in honor of the Fraternal Activities Chair Shirley Knight and her committee. Every year WOTM International assigns a special project for each committee to benefit either the children at Mooseheart or senior members at Moosehaven. This year the special project for the Activities & Sports Committee is to again provide funds for the **Mooseheart Girls Athletic Program**.

As with the boys' athletic program, an outstanding sports program is also offered to Mooseheart girls. The girls' athletic program enables the students to take part in basketball, volleyball, track and bowling.

Our Mooseheart "Lady Ramblers" are provided with sporting opportunities that may not have been afforded to them outside of Mooseheart. When children play a team sport, they learn that it doesn't just come down to the best player, it comes down to working as a team, accepting decisions and understanding that people have different abilities.

Team sports can also be good for a child's mental health. Children who play sports learn how to be more resilient when presented with a setback and are less likely to feel isolated.

The committee's fundraising project is the raffles at the family picnic. This year, the Fraternal Activities Committee is extremely pleased to be able to donate funds towards the Mooseheart Girls Athletic Program as well as the WOTM Scholarship & Maintenance Fund.

Higher Degree - Star Committee**Honored at August meeting**

Higher Degree Chairman Rachel Oemig-Klein and her Committee will be honored at the Chapter meeting August 21st. Throughout the Chapter year each committee is asked to provide funds for a special project/need for Mooseheart or Moosehaven from their fundraiser. This year the special project is to provide funds for the **Mooseheart Boys' Athletic Program**. The Athletic Program provides an opportunity that the boy's might not have had in public schools. Every boy can take an active part in the sports program offered at Mooseheart. Regardless of size, weight or ability, our students are involved in football, basketball, wrestling and track. As we are all aware, involvement in sports teaches youth the value of good sportsmanship and respect for oneself and others.

The Committee's fundraiser will be Wing Wednesday, this coming fall. Watch for upcoming dates. From the proceeds of their fundraiser a generous donation to Mooseheart for this very important program along with a check to the WOTM Scholarship & Maintenance Fund.

Senior Regent Message

Greetings Moose members,
 What a wonderful Memorial Day weekend we had! Our fellow Moose member gave glowing reports on how pleased they were when they visited us during the recent Moose International Convention in Milwaukee.

The WOTM is planning a new program for the children, grandchildren, great-grandchildren, nieces and nephews of our Moose family members. It will be called the M & M Club – Mini-Moose Membership Club. We will be signing up children to become Mini-Moose members of Lodge 1057. All mini members must be sponsored by a current Moose member.

We will be registering children from 5:00-7:00 pm at the Wednesday Car Shows, the Family picnic on July 27th, and all future events we will be planning for the children. Let's see if we can get more children involved and really become a Family Center! Any Questions? Please feel free to contact me for further information.

Sincerely,

Helen Emery
